Why Join Our Social Media?

Wider Reach: Radio stations often have a significant following on social media platforms, which means advertising on their pages can help a company reach a broader audience. By tapping into the radio station's existing fan base, the company can expand its brand visibility and potentially attract new customers.

We Broadcast (3) popular energetic stations with tens of thousands of listeners to the community every day.

We take pride in our creative commercials, lively fun events, and powerful on-air programming.

We take pride in having Live on-air personalities throughout the day, 7 days a week.

Daily communication with the public pushes your brand and pleases the public. Answering phone calls live on air, pushing events, and interviewing guests are all part of O.B.N.

This is what radio once was while today most stations pre-record and are miles away.

There is something on our stations for each age group.
